A WEDDING POEM FOR YOU

*As you moved through your days like dancers
Creating a pattern together
Of love, understanding and patience
Enough that will last you forever.*

*Now arm in arm, you go walking
Partners in every way
Swaying to music of Mozart
Embracing the joy of each day.*

*Endless changes of beauty unfolding
Invisibly nourished by all
The message of Love is expanding
Through winter, spring, summer & fall.*

*Privileged and blessed beyond measure
A lifetime of memories to share
Making more as you venture together
This unity brings you to bear.*

*Truly grateful for your next chapter together
The best, still yet to behold
A treasure so dear and divine
Life's story, still yet to unfold.*

Mark 10:9 (NIV) Therefore what God has joined together, let no one separate.
