## SERMON TEXT

### **1 John 5: 16-21 (ESV)**

**16** If anyone sees his brother committing a sin not leading to death, he shall ask, and God will give him life—to those who commit sins that do not lead to death. There is sin that leads to death; I do not say that one should pray for that.

**17** All wrongdoing is sin, but there is sin that does not lead to death.

**18** We know that everyone who has been born of God does not keep on sinning, but he who was born of God protects him, and the evil one does not touch him.

**19** We know that we are from God, and the whole world lies in the power of the evil one.

**20** And we know that the Son of God has come and has given us understanding, so that we may know him who is true; and we are in him who is true, in his Son Jesus Christ. He is the true God and eternal life.

**21** Little children, keep yourselves from idols.

### **Applications:**

The only reason not to receive eternal life is to reject God's gift in His son.

The forgiveness of God is the cure for man's infernal affliction.
